Parental Involvement Newsletter-March

March Newsletter

Dear Friends of Colbert County Schools,

This month, schools are celebrating Read Across America! Read Across America is a reading program designed to engage kids in reading books, which they say plays a role in sculpting who they are as a person. According to National Day Calendar, another purpose for this day is to work towards improving education for children.

To celebrate, each school is taking part in themed dress up days and reading activities. Check social media pages to tune in on the fun!

Thank you for all you do to support your children and the Colbert County School System. Our schools are stronger when parents are involved.

**Yours in Education,
Mrs. Payne
Family and Community Liaison**
