Dear Friends of Colbert County Schools,

It is almost time for Summer! We have had a great year together supporting our exceptional students.

This month is Mental Health Awareness month. If your student is struggling with Mental Health, please contact our Student Services Coordinator, Emily Counce at ecounce@colbert.k12.al.us.

On April 28, third and fourth grade students participated in Feed Your Future. This youth career day was a HUGE success and we appreciate all of the families in attendance.

Thank you for all you do to support your children and the Colbert County School System this school year. Our schools are stronger when parents are involved.

Have a safe and FUN summer!

Yours in Education,
Mrs. Payne
