Student Achievement	STEAM Learning Experience	Supportive Environment	Student Success	Stakeholder Engagement
Objectives	Objectives	Objectives	Objectives	Objectives
• Provide students with a high quality education that supports student achievement.	 Provide students with STEAM opportunities across the school district. 	 Provide students with a safe and healthy learning environment. 	 Promote positive daily attendance while implementing the district-wide attendance policy. 	 Provide family and community engagement opportunities to encourage active partnerships with schools.
Critical Initiatives	Critical Initiatives	Critical Initiatives	Critical Initiatives	
 Teachers will administer the STAR test three times during the year to monitor student progress. Teachers will participate in monthly grade-level data meetings. Provide an intervention teacher to provide support in the areas of reading and math. 	 Teachers will assign a STEAM project to each class every nine weeks. The Robotics team will participate in STEAM Activities. 	 Each student belongs to a tribe, meeting on a daily basis to promote student engagement by making students feel that they have somewhere they belong with people they can trust. Students will complete Rhithum daily. 	Students' tribes are awarded monthly for attendance with points.	 Critical Initiatives Use open house nights and social media posts to promote parent and stakeholder involvement. Use Blackboard Parent Communication as a tool to connect with parents.
		• Students will be selested for the
