FOREWORD

This document, *A Manual of State Laws and Regulations School Safety and Discipline 2017*, contains current Alabama laws relating to responsibilities of each local board of education and its personnel. Some of these laws do not require the *Assurance of Compliance* reporting required by *Code of Alabama (1975)*, §16-16B-5. These additional laws are provided for your convenience. It is important for everyone to be knowledgeable of them.

Other laws are included that require each local board of education to report annually to the Alabama State Department of Education (ALSDE) its level of compliance. These laws are delineated on the 2018 *Assurance of Compliance* form that can be found on pages 88-91 of this document.

For assistance with the purpose and use of this document, you may telephone the ALSDE, Prevention and Support Services Section, at (334) 242-8165. For specific questions relating to the *Assurance of Compliance* requirements, please speak with the education specialist assigned to compliance issues.

(2) Representatives of a public or private agency or department providing supervision or having legal custody of the child.

(3) The parent (except when parental rights have been terminated), the legal guardian of the child, and the legal custodian of the child.

defendant who was formerly a child subject to proceedings in juvenile court.

(5) The judge, probation, and other professional staff serving a court handling criminal cases for investigating or considering youthful offender applications for an individual, who, prior thereto, had been the subject of proceedings in juvenile court.

(g) Except for the purposes permitted and in the manner provided by this section, whoever discloses or makes use of or knowingly permits the use of information identifying a child, or the family of a child, who is or was under the jurisdiction of the juvenile court, where this information is directly or indirectly derived from the records of the juvenile court or acquired in the course of official duties, upon conviction thereof, shall be guilty of a Class A misdemeanor under the jurisdiction of the juvenile court and also may be subject to civil sanctions. Provided, however, that nothing in this section shall be construed to prohibit or otherwise limit counsel from disclosing confidential information obtained from the juvenile court file of the child as needed to investigate the case of the client or prepare a defense for that client, provided that the disclosure is in furtherance of counsel's representation of the party.

(h) Anytime that a child commits a violent offense and is adjudicated delinquent, if that child as an adult commits the same or a similar offense, the court records pertaining to the juvenile offense may be used in the prosecution of the adult offense.

(Acts 1975, No. 1205, p. 2384, §5-142; Acts 1990, No. 90-674, p. 1304, §15; Acts 1996, No. 96-524, p. 677, §1; Act 99-433, p. 792, §3; §12-15-100; amended and renumbered by Act 2008-277, p. 441, §7.)

Section 12-15-204.

Acts for which person who has attained age 16 shall be charged, arrested, and tried as adult; removal of person from jurisdiction of juvenile court.

(a) Notwithstanding any other provision of law, any person who has attained the age of 16 years at the time of the conduct charged and who is charged with the commission of any act or conduct, which if committed by an adult would constitute any of the following, shall not be subject to the jurisdiction of juvenile court but shall be charged, arrested, and tried as an adult:

(1) A capital offense.

(2) A Class A felony.

(3) A felony which has as an element thereof the use of a deadly weapon.

(4) A felony which has as an element thereof the causing of death or serious physical injury.

(5) A felony which has as an element thereof the use of a dangerous instrument against any person who is one of the following:

a. A law enforcement officer or official.

b. A correctional officer or official.

c. A parole or probation officer or official.

d. A juvenile court probation officer or official.

e. A district attorney or other prosecuting officer or official.

f. A judge or judicial official.

i. A teacher, principal, or employee of the public education system of Alabama.

(6) Trafficking in drugs in violation of Section 13A-12-231, or as the same may be amended.

(7) Any lesser included offense of the above offenses charged or any lesser felony offense charged arising from the same facts and circumstances and committed at the same time as the offenses listed above. Provided, however, that the juvenile court shall maintain original jurisdiction over these lesser included offenses if the grand jury fails to indict for any of the offenses enumerated in subsections (a)(1) to (a)(6), inclusive. The juvenile court shall also maintain original jurisdiction over these lesser included offenses, subject to double jeopardy limitations, if the court handling criminal offenses dismisses all charges for offenses enumerated in subsections (a)(1) to (a)(6), inclusive.

(b) Notwithstanding any other provision of law, any person who has been convicted or adjudicated a youthful offender in a court handling criminal offenses pursuant to the

provisions of this section shall not thereafter be subject to the jurisdiction of juvenile court for any pending or subsequent offense. Provided, however, pursuant to Section 12-15-117, the juvenile court shall retain jurisdiction over an individual of any age for the enforcement of any prior orders of the juvenile court requiring the payment of fines, court costs, restitution, or other money ordered by the juvenile court until paid in full.

(c) This section shall apply to all cases in which the alleged criminal conduct occurred after April 14, 1994. All conduct occurring before April 14, 1994, shall be governed by pre-existing law.

(Acts 1994, No. 94-481, p. 798, §§1-3; Acts 1996, No. 96-571, p. 871, §1; §12-15-34.1; amended and renumbered by Act 2008-277, p. 441, §12.)

Section 12-15-208.

Facilities to be used for detention or shelter care of children generally; when child may be detained in jail or other facility for detention of adults; notification of juvenile court, when child received at facility for detention of adult offenders or persons charged with crimes; development of statewide system; Department of Youth Services to subsidize detention in regional facilities, may contract for detention; transfer of child to detention facility, when case transferred from juvenile court for criminal prosecution.

(a) Persons who shall not be detained or confined in secure custody include all of the following:

(1) Status offenders. Effective October 1, 2009, status offenders, as defined in this article, shall not be detained or confined in secure custody, except that a status offender who is charged with or who commits a violation of a valid court order may be detained in secure custody in a juvenile detention facility for up to 72 hours in any six-month period, provided that all conditions set forth in subdivision (3) of subsection (b) are satisfied. Short-term secure custody of accused status offenders may be necessary, such as detention in a juvenile detention facility for a brief period, not exceeding 24 hours, prior to formal juvenile court action, for investigative purposes, for identification purposes, or for the purpose of allowing return of a status offender to the parent, legal guardian, or legal custodian. Detention for a brief period of time pursuant to juvenile court authority may also be necessary in order to arrange for appropriate shelter care placement. If a petition regarding an alleged status offender is filed in juvenile court and if it is determined that the alleged status offender is at imminent risk of being placed in the legal or physical custody of the Department of Human Resources, the case shall be referred to the county children's services facilitation team, and the procedures in Article 5 shall be followed. Upon referral to the county children's services facilitation team, the juvenile probation officer shall continue to provide case management to the status offender unless the county children's services facilitation team appoints another person to act as case manager. The juvenile probation officer shall participate in county children's services facilitation team meetings and share records information and reports on the status offender with the county children's services facilitation team.

(2) Federal wards. Federal wards held beyond 24 hours in secure custody in state and local juvenile detention facilities pursuant to a written contract or agreement with a federal agency and for the specific purpose of affecting a jurisdictional transfer or appearance as a material witness or for return to their lawful residence or country of citizenship shall be reported as violations of the deinstitutionalization of status offender requirement.

(3) Nonoffenders. Nonoffenders, as defined in this article, shall not be detained or confined in secure custody.

(4) Children 10 years of age and younger. Children 10 years of age and younger shall not be detained or confined in secure custody, unless the children are charged with offenses causing death or serious bodily injury to persons or offenses that would be classified as Class A felonies if committed by adults. Children 11 or 12 years of age may only be detained or confined in secure custody by orders of juvenile courts, unless the children are charged with offenses causing death or serious bodily injury to persons or offenses that would be classified as Class A felonies if committed by adults.

(b) Persons who may be detained or confined in secure custody include all of the following:

(1) Persons who violate the federal law, which prohibits possession of a handgun by a child under the age of 18 years, or who violate a similar state or municipal law, may be placed in secure custody in juvenile detention facilities.

(2) Persons in custody pursuant to the Interstate Compact on Juveniles, contained in Section 44-2-1, et seq., may be placed in secure custody in juvenile detention facilities.

(3) Status offenders who violate a valid court order. A status offender who is charged with or has committed a violation of a valid court order may be detained in secure custody in a juvenile detention facility for up to 72 hours in any six-month period. Status offenders who violate valid court orders shall not be committed to the Department of Youth Services, nor shall they be held in jails or lockups for adult offenders. For this valid court order exception to apply, the following actions must occur whenever a status offender is taken into custody for violating a valid court order:

a. The juvenile detention facility shall immediately notify the juvenile court intake or probation officer that the child is being held in secure custody for violating a valid court order. The notice shall include the date and time the child entered the juvenile detention facility.

b. Within the first 24 hours during which a status offender is held in secure custody for violating a valid court order, not including weekends or holidays, a juvenile court intake or probation officer, or an authorized representative of the department or agency having custody or supervision of the child, shall interview the child, in person.

c. Within 48 hours of the admission of the status offender to secure custody for violating a valid court order, not including weekends or holidays:

1. The individual who interviewed the child shall submit a written assessment report to the juvenile court regarding the immediate needs of the child; and

2. If the juvenile court has not yet determined whether the child has, in fact, violated the order, the juvenile court shall conduct a hearing to determine whether there is reasonable cause to believe that the child violated the order and the appropriate placement of the child pending disposition of the alleged violation.

(c) Compliance with jail removal. No person under the age of 18 years shall be detained

or confined in any jail or lockup for adults except for the following exceptions:

(1) A child may be detained in a jail or lockup for adults for up to six hours while processing the case of the child.

(2) A child transferred for criminal prosecution pursuant to Section 12-15-203 may be detained in a jail or lockup for adults.

(3) A person charged pursuant to Section 12-15-204 may be detained in a jail or lockup for adults.

When a case is transferred to another court for criminal prosecution, the person shall be transferred to the appropriate officer or jail or lockup in accordance with the law governing the detention of the person charged with the crime. Jails and lockups used for holding adults shall not hold status offenders in secure custody at any time. An accused status offender may be detained in a nonsecure area of a jail or lockup for processing while waiting transportation to a nonsecure shelter care facility or a juvenile detention facility or while waiting for release to a parent, legal guardian, or legal custodian.

Nothing in this subsection shall prohibit a circuit court judge exercising criminal jurisdiction from recommending that a child described in subdivision (2) or (3) should be placed in a juvenile detention center instead of an adult jail or lockup.

(d) Compliance with separation. Accused or adjudicated delinquent children or status offenders shall not have contact with adult inmates, including trustees. Contact is defined to include any physical or sustained sight and sound contact. Sight contact is defined as clear visual contact between adult inmates and accused or adjudicated delinquent children or status offenders within close proximity to each other. Sound contact is defined as direct verbal communication between adult inmates and accused or adjudicated delinquent children or status offenders.

No child shall enter pursuant to public authority, for any amount of time, in secure custody in a secure section of a jail, lockup, or correctional facility for adults as a disposition of an offense or as a means of modifying his or her behavior (e.g., Shock Incarceration or Scared Straight).

(e) Except as provided above, in providing detention and shelter or other care for children referred to or coming under the jurisdiction of the juvenile court, the juvenile court shall utilize only those facilities as have been established, licensed, or approved by the Department of Youth Services or Department of Human Resources for those purposes.

(f) After October 1, 1991, the Department of Youth Services shall accept all children committed to it within seven days of notice of disposition.

(g) Except as provided above, the official in charge of a jail or lockup for the detention of adult offenders or persons charged with crimes shall inform the juvenile court immediately when a child, who is or appears to be a child as defined by this chapter, is received at the jail or lockup. Upon request, the official shall deliver the child to the juvenile court or transfer him or her to a juvenile detention facility designated by the juvenile court.

(h) The Department of Youth Services shall continue to develop and implement a statewide system of juvenile detention facilities which shall be licensed by the Department of Youth Services for the detention of children.

(i) The Department of Youth Services shall subsidize the detention of children in the juvenile detention facilities in an amount up to one half the average cost of detention, which term is defined in this article, the amount depending on the provision of funds by

the Legislature to the Department of Youth Services. Juvenile detention facilities may contract with the Department of Youth Services or other counties for the detention of children.

(j) When a case is transferred to another court for criminal prosecution, the child shall be transferred to the appropriate officer or jail or lockup in accordance with the law governing the detention of the person charged with criminal offenses.

(k) Any law enforcement officer, at the direction of the juvenile court, shall provide security and transportation services for the juvenile court in transporting children to and from juvenile detention facilities.

(Acts 1975, No. 1205, p. 2384, §5-122; Acts 1990, No. 90-674, p. 1304, §9; Acts 1991, No. 91-634, p. 1192, §1; Acts 1996, No. 96-570, p. 864, §1; amended and renumbered by Act 2008-277, p. 441, §12.)

Section 12-15-211.

Suspension of proceedings and continuation of cases under terms and conditions agreed to by parties.

(a) The juvenile court may suspend delinquency or child in need of supervision proceedings pursuant to a consent decree. The terms and conditions of the consent decree shall be agreed to by the child and his or her parent, legal guardian, or legal custodian. The consent decree shall be entered at any time after the filing of a delinquency or child in need of supervision petition and before the entry of an adjudication order. The child and his or her parent, legal guardian, or legal custodian shall be advised of their rights, including the right to counsel.

(b) Where an objection is made by the prosecutor, the juvenile court, after considering the objection and the reasons therefor, shall proceed to determine whether it is appropriate to enter a consent decree.

(c) A consent decree shall remain in force for six months unless the child is discharged sooner by the juvenile court. Upon application of a juvenile probation officer or other department or agency supervising the child, made before the expiration of the six-month period, a consent decree may be extended by the juvenile court for an additional six months.

(d) If prior to discharge by the juvenile probation officer or expiration of the consent decree, a new delinquency or child in need of supervision petition is filed against the child, or the child otherwise fails to fulfill express terms and conditions of the decree, the petition under which the child was continued under supervision may be reinstated after a hearing and the case may proceed to adjudication.

(e) Upon satisfaction by the child of the conditions of the consent decree or upon the child being otherwise discharged by the juvenile court, the petition shall be dismissed with prejudice.

(Acts 1975, No. 1205, p. 2384, §5-130; §12-15-64; amended and renumbered by Act 2008-277, p. 441, §12.)

Section 12-15-215.

Disposition of delinquent children or children in need of supervision generally.

(a) If the juvenile court finds on proof beyond a reasonable doubt, based upon competent, material, and relevant evidence, that a child committed the acts by reason of which the child is alleged to be delinquent or in need of supervision, it may proceed immediately to hear evidence as to whether the child is in need of care or rehabilitation and to file its findings thereon. In the absence of evidence to the contrary, a finding that the child has committed an act which constitutes a felony is sufficient to sustain a finding that the child is in need of care or rehabilitation. If the juvenile court finds that the child is not in need of care or rehabilitation, it shall dismiss the proceedings and discharge the child from any detention or other temporary care theretofore ordered. If the juvenile court finds that the child is in need of care or rehabilitation, it may make any of the following orders or dispositions, subject to the limitations and prohibitions on secure custody contained in Section 12-15-208:

(1) Permit the child to remain with the parent, legal guardian, or other legal custodian of the child, subject to the conditions and limitations the juvenile court may prescribe.

(2) Place the child on probation pursuant to conditions and limitations the juvenile court may prescribe.

(3) Transfer legal and physical custody to any of the following:

a. The Department of Youth Services, with or without an order to a specific institution.

b. In the case of a child in need of supervision, the Department of Youth Services, or the Department of Human Resources; provided however 1. that prior to any transfer of custody to the Department of Human Resources, the case shall first be referred to the county children's services facilitation team, which must proceed according to Article 5; and 2. that the child's commission of one or more status offenses shall not constitute a sufficient basis for transfer of legal or physical custody to the Department of Human Resources. Upon referral to the county children's services facilitation team, the juvenile probation officer shall continue to provide case management to the status offender unless the county children's services facilitation team appoints another person to act as case manager. The juvenile probation officer shall participate in county children's services facilitation team meetings and share records information and reports on the status offender with the county children's services facilitation team. When the juvenile court transfers legal and physical custody to the Department of Human Resources, all requirements which shall be met for a child to be eligible for federal funding shall apply, including, but not limited to, the requirements set out in Sections 12-15-312, 12-15-315, and 12-15-317.

c. A local, public, or private agency, organization, or facility willing and able to assume the education, care, and maintenance of the child and which is licensed or otherwise authorized by law to receive and provide care for children.

d. During the term of supervision, a relative or other individual who is found by the juvenile court to be qualified to receive and care for the child.

(4) Make any other order as the juvenile court in its discretion shall deem to be for the welfare and best interests of the child, including random drug screens, assessment of fines not to exceed two hundred fifty dollars (\$250), and restitution against the parent,

legal guardian, legal custodian, or child, as the juvenile court deems appropriate. Costs for juvenile court-ordered drug screening may be ordered paid for by the state out of moneys appropriated as "court costs not otherwise provided for." Restitution against the parent, legal guardian, legal custodian, or child shall be governed by the same principles applicable in the Restitution to Victims of Crime Act, commencing with Section 15-18-65.

(5) Direct the parent, legal guardian, or legal custodian of the child to perform reasonable acts as are deemed necessary to promote the best interests of the child.

(6) In any case where a child is adjudicated delinquent for possessing a pistol, short-barreled rifle, or short-barreled shotgun, any pistol, short-barreled rifle, or short-barreled shotgun possessed by that child is forfeited and shall be ordered to be destroyed by the juvenile court.

The State Board of Education shall adopt and all local boards of education shall uniformly enforce policies that protect all students and school employees. The State Board of Education shall require local school systems to modify their policies, practices or procedures so as to ensure a safe school environment free of illegal drugs, alcohol, or weapons. Any rules and regulations adopted by the State Board of Education pursuant to this section shall be exempt from Section 41-22-3(3). These modifications shall include the formulation of a discipline plan setting forth policies, practices, and procedures dealing with students or other persons who bring illegal drugs, alcohol, or weapons on a school campus. The discipline plan shall also include uniform drug-free school policies with uniform penalties.

(b) The principal shall notify appropriate law enforcement officials when any person violates local board of education policies concerning drugs, alcohol, weapons, physical harm to a person, or threatened physical harm to a person. If any criminal charge is warranted arising from the conduct, the principal is authorized to sign the appropriate warrant. If that person is a student enrolled in any public school in the State of Alabama, the local school system shall immediately suspend that person from attending regular classes and schedule a hearing at the earliest possible date, which shall not be later than five school days. The decision to suspend or initiate criminal charges against a student, or both, shall include a review and consideration of the student's exceptional status, if applicable, under Chapter 39, or appropriate federal statutory or case law.

(c) If a person is found to have violated a local board of education policy concerning drugs, alcohol, weapons, physical harm to a person, or threatened physical harm to a person, the person may not be readmitted to the public schools of this state until (1) criminal charges or offenses arising from the conduct, if any, have been disposed of by appropriate authorities and (2) the person has satisfied all other requirements imposed by

the local board of education as a condition for readmission.

(d) Any person determined to be guilty of an offense involving drugs, alcohol, weapons, physical harm to a person, or threatened physical harm to a person, may be readmitted to the public schools of this state upon such conditions as the local board of education shall prescribe for preservation of the safety or security of students and employees of the local school board, which may include, but are not limited to, psychiatric or psychological evaluation and counseling.

The action authorized in this section shall be in addition to all other actions which the school system is entitled to maintain and nothing in this section shall preclude recovery in a greater amount from the minor or from a person, including the parents or guardian, or both, for damages to which such minor other person would otherwise be liable.

(4) This section shall apply only to acts committed on or after August 1, 1992.

(f) The local school board shall adopt and make available to all teachers, school personnel, students, and parents or guardians, at the beginning of the 1992-93 school year and each school year thereafter, a code of student conduct developed in consultation with teachers, school personnel, students, and parents or guardians. Section 16-22A-1.

Short title; purpose.

This chapter shall be known and cited as the Alabama Child Protection Act of 1999. Article 1 provides the procedure for conducting criminal history background information checks on all applicants for certification, public and nonpublic applicants for employment, nonpublic current employees, and current employees under review. Article 2 provides the procedure for conducting criminal history background information checks on current public certified and noncertified employees.

(Act 99-361, p. 566, §1; Act 2002-457, p. 1171, §1.)

Section 16-22A-2.

Legislative intent.

Under the National Child Protection Act of 1993, Public Law 103-209, 42 U.S.C. 5119, et seq., the states are required to implement a computerized information system to provide child abuse crime information through the Federal Bureau of Investigation National Criminal History Record Information System and may conduct a nationwide criminal history background check for the purpose of determining whether an individual who will have unsupervised access to children is suitable for employment or has been convicted of a crime that bears upon the individual's fitness to teach or have responsibility for the safety and well-being of children as defined in this chapter.

The Legislature finds that there is a compelling state interest and it is in the best interest of the children of Alabama to protect them from those persons who may inflict physical or mental injury or abuse, sexual abuse or exploitation, or maltreatment or other mistreatment upon children. Therefore, in establishing the Alabama Child Protection Act of 1999, it is the Legislature's intent to provide for the implementation of a system that allows the State Superintendent of Education, local boards of education, and other nonpublic schools to ensure that prospective employees and certain current employees

are suitable for employment and have not been convicted of a crime that bears upon their fitness to teach or to have responsibility for the safety and well-being of children as defined in this chapter.

(Act 99-361, p. 566, §2, Act 2002-457, p. 1171, §1.)

i. Notice to the applicant, current employee, or current employee under review, seeking employment or employed by a nonpublic school, that the State Superintendent of Education will provide a suitability determination based upon the Alabama Bureau of Investigation and Federal Bureau of Investigation criminal history background information reports and the suitability criteria for nonpublic employment defined herein to the chief executive officer of the nonpublic school.

Section 16-22A-5.

Agencies required to conduct criminal history background information checks.

(a) A criminal history background information check shall be conducted on all applicants seeking positions with, and on all current employees under review employed by any local employing board, and any State Department of Education personnel as determined by the State Superintendent of Education, who have unsupervised access to and provide education, training, instruction, or supervision for children in an educational setting.

(b) A criminal history background information check shall be conducted on all applicants seeking positions with, and on all current employees and current employees under review employed by any nonpublic school, who have unsupervised access to or who provide education, training, instruction, or supervision for children in an educational setting.

(c) No institution listed in subsection (a) or subsection (b) shall hire an individual who may have unsupervised access to a child without first obtaining a criminal history background information check, except on a temporary emergency basis. In the event that this exception is used and a position is filled by the employer due to exigent circumstances, the applicant so employed may be placed on payroll until such time as a criminal history background information check on the employee is completed.

(d) Nationwide criminal history background information reports for applicants for certification, certified applicants for public employment, noncertified applicants for public employment, and public current employees under review shall be sent directly from the Department of Public Safety to the State Department of Education within a reasonable time from the receipt of the report from the Alabama Bureau of Investigation.

(e) Nationwide criminal history background information reports for nonpublic school applicants for employment, current employees, and current employees under review shall be sent directly from the Department of Public Safety to the State Department of Education within a reasonable time from the receipt of the report from the Alabama Bureau of Investigation. Thereafter, the State Superintendent of Education shall review the criminal history background information report and determine whether the applicant for employment, current employee, or current employee under review satisfies the suitability criteria for nonpublic employment. The State Superintendent of Education

shall issue a suitability determination to the chief executive officer of the nonpublic school requesting the determination.

(f) Mandatory criminal history background information checks shall be performed by the Department of Public Safety upon request by any public entity authorized to make a request and shall be forwarded to the State Department of Education. The Department of Public Safety shall provide an Alabama Bureau of Investigation criminal history background information check within a reasonable time of the receipt of such request. Criminal history background information checks shall be requested by the Department of Public Safety from the Federal Bureau of Investigation within a reasonable time of receipt of such request.

(g) The Department of Public Safety, upon receipt of the criminal history background information report from the Federal Bureau of Investigation, shall forward such report to the State Department of Education within a reasonable time of the receipt of the report by certified mail. The fee charged for mandatory criminal history background information checks shall not exceed the statutory and regulatory amounts set under existing guidelines nor shall additional administrative fees of any kind, except for the cost of mailings, be charged which would increase the cost of the criminal history background information check. An applicant for employment and an applicant for certification are responsible for the cost of their criminal history background information check. The employer is responsible for the cost of the criminal history background information check on a current employee under review. The State Department of Education is responsible for the cost of the criminal history background information check on a nonpublic current employee, unless a court of competent jurisdiction determines that public funds may not be used for this purpose, then the employer or employee shall pay the cost. If a noncertified applicant for employment is determined by the chief executive officer of the prospective employer to be financially unable to pay the costs of a criminal history background information check, the prospective employer may pay the fee associated with the criminal history background information check.

(1) Persons designated by the public local employing board.

(2) Persons designated by the State Department of Education.

(3) Persons designated by any other nonpublic school.

(i) Refusal by an applicant for certification, applicant for employment, nonpublic current employee, or current employee under review to sign and date a consent to obtain a criminal history background information check and to provide two acceptable sets of fingerprints shall result in the preclusion of employment or certification of the applicant for certification or applicant for employment, or the continued employment or certification in a position requiring unsupervised access to children of the nonpublic current employee or current employee under review, until such time as written permission has been given to the local employing board, State Department of Education, or other appropriate chief executive officer to conduct the criminal history background information check.

(j)(1) No current employee under review shall be subjected to a criminal history background information check for political or personal reasons. A review of a current employee under review, which may be conducted at any time, irrespective of whether a prior criminal history background information check has been conducted on the employee, shall be based upon reasonable suspicion.

(2) A current employee under review shall be apprised in writing of the reasons supporting a request for a criminal history background information check, including the grounds supporting reasonable suspicion, and shall be provided the opportunity to supply additional information on his or her behalf to the employer. Any personnel action taken against the current employee under review shall be in accordance with all applicable state and federal laws as well as any adopted applicable local policies or procedures.

(3) In the case of nonpublic school employment, written consent from the applicant for employment, nonpublic current employee, or current employee under review for the release of criminal history background information to the State Superintendent of Education.

(4) A nonrefundable fee to be paid by the applicant or educational entity requesting the criminal history background information check which shall conform to the guidelines promulgated pursuant to 42 U.S.C. 5119, the National Child Protection Act of 1993, and state law. An applicant for employment shall not be required to pay the fee until the authorized employer is prepared to employ the applicant and request the criminal history background information check. An applicant for certification shall be required to submit two complete acceptable sets of fingerprints and the fee for the criminal history background information check at the time his or her application for certification is submitted to the State Department of Education. The local superintendent of education with the assistance of the county or city school attendance director as the case may be, and any other staff or school personnel, or the appropriate school official of any private secondary school, shall be the sole judge of whether the withdrawal is due to circumstances beyond the control of the person. Suspension or expulsion from school or imprisonment in a jail

or penitentiary is not a circumstance beyond the control of a person.

(e)(1) Any person over the age of 14 who is convicted of the crime of possession of a pistol on the premises of a public school, or a public school bus, or both, under Section 13A-11-72 shall be denied issuance of a driver's permit or license for the operation of a motor vehicle for 180 days from the date the person is eligible and applies for a permit or license for the operation of a motor vehicle. Any adjudication as a juvenile delinquent or youthful offender where the underlying charge is the possession of a pistol on the premises of a public school, or a public school bus, or both, under Section 13A-11-72 shall be considered a conviction under this subsection, and the adjudication of a person as a juvenile delinquent or youthful offender where the underlying charge is a violation under Section 13A-11-72 shall be reported to the Department of Public Safety.

(2) If a person over the age of 14 years possesses a driver's license on the date of conviction, the Department of Public Safety, within five days of receipt of a notice of conviction from the court, shall send notice to the licensee that his or her driver's license will be suspended. The notice shall state that the license will be suspended for 180 days commencing on the 30th day following the date the notice was sent unless documentation is received by the department before the 30th day that the person was not convicted of the crime. Upon the appropriate date, the department shall suspend the license.

(3) Upon the written request of the person whose license is denied or suspended, the Department of Public Safety shall afford the person an opportunity for a hearing in the same manner and under the procedure used for other driver's license suspensions. If the suspension or denial of issuance determination is sustained by the Director of the Department of Public Safety or the authorized agent of the director, upon such hearing, the person may file a petition in the appropriate court to review the final order of suspension or denial by the director or the authorized agent of the director in the same manner and under the same conditions as is provided in the case of suspensions and denials.

(4) If the conviction is reversed within the 180-day period, the department, upon receipt of notice of the reversal from the Administrative Office of Courts, shall reinstate a suspended license and shall accept an application for a license and shall issue the license according to law and regulation.

(5) The court shall notify the Department of Public Safety of the conviction of a person over the age of 14 of a crime involving the possession of a pistol on the premises of a public school, or a public school bus, or both, under Section 13A-11-72 and any reversal of the conviction. The Administrative Office of Courts may promulgate necessary rules and regulations to implement this notification procedure.

Section 16-28A-1.

Legislative findings.

It is the finding of the Alabama Legislature that the people of Alabama have two basic

expectations of their public schools: (1) that students be allowed to learn in a safe classroom setting where order and discipline are maintained; and (2) that students learn at the level of their capabilities and achieve accordingly. The Legislature finds further that every child in Alabama is entitled to have access to a program of instruction which gives him or her the right to learn in a non-disruptive environment. No student has a right to be unruly in his or her classroom to the extent that such disruption denies fellow students of their right to learn. The teacher in each classroom is expected to maintain order and discipline. Teachers are hereby given the authority and responsibility to use appropriate means of discipline up to and including corporal punishment as may be prescribed by the local board of education. So long as teachers follow approved policy in the exercise of their responsibility to maintain discipline in their classroom, such teacher shall be immune from civil or criminal liability. It shall be the responsibility of the local boards of education and the administrators employed by them to provide legal support to each teacher exercising his or her authority and responsibility to maintain order and discipline in his or her classroom as long as the teacher follows the local board of education's policy. Such support for the teacher shall include, but not be limited to, providing appropriate legal representation to defend the teacher against charges, filing of a written report pursuant to Section 16-1-24, seeking the issuance of a warrant or warrants for any person or persons threatening or assaulting a teacher, and the timely assistance and cooperation with the appropriate authorities in the prosecution of any person or persons threatening or assaulting a teacher. Local school board authorities and school administrators providing such support shall be absolutely immune from civil and criminal liability for actions authorized or required by this section.

(Acts 1995, No. 95-539, p. 1121, §1.)

Section 16-28A-2.

Exemption of teachers and other employees from application of Title 26.

The provisions of Title 26 shall not apply to public school teachers in relation to corporal punishment of students when the punishment is consistent with established written policies of the employing board of education. Neither shall the provisions of Title 26 apply to public school teachers or other employees while maintaining order and discipline in the classroom and on public school property, including school buses, consistent with written policies of the employing board of education.

(Acts 1995, No. 95-539, p. 1121, §2.)

Section 16-28A-3.

Local boards of education required to develop and disseminate student discipline and behavior policies.

To fully implement the provisions of this chapter, the State Board of Education shall

require each local board of education to develop a written policy on student discipline and behavior and to broadly disseminate them following its adoption. Copies of the student discipline and behavior policy shall be given to all teachers, staff, parents and students.

(Acts 1995, No. 95-539, p. 1121, §3.)

Section 16-28A-4.

Immunity for teachers or administrators who report suspected drug abuse.

A teacher or administrator who, in good faith, reports suspected drug abuse by a student to the appropriate authorities shall be immune from civil or criminal liability.

(Acts 1995, No. 95-539, p. 1121, §4.)

Section 16-28A-5.

Immunity for other authorized school personnel.

It is the intent of the Legislature to include under the provisions of this chapter, principals, assistant principals and any other school personnel authorized to use corporal punishment under the policies and guidelines developed by the local board of education.

(Acts 1995, No. 95-539, p. 1121, §5.)

Section 16-28B-1.

Short title.

This chapter shall be known and may be cited as the Jamari Terrell Williams Student Bullying Prevention Act.

(Act 2018-472) This bill expands current law to include student-against-student bullying, intimidation, violence, and threats of violence off school property. It would specifically include **cyberbullying** and rename the current Student Harassment Prevention Act statute as the Jamari Terrell Williams Student **BULLYING** Prevention Act.

Section 16-28B-2.

Legislative intent.

It is the intent of the Legislature to provide for the adoption of policies in public school systems to prevent the harassment of students. It is the further intent of the Legislature

that this chapter apply only to student against student harassment, intimidation, violence, and threats of violence in the public schools of Alabama, grades prekindergarten through 12, and that the State Department of Education develop, and each local board of education adopt procedural policies to manage and possibly prevent these acts against any student by another student or students based on the characteristics of a student.

Additionally, it is the intent of the Legislature that the filing of a complaint of harassment be in writing and submitted by the affected student, or the parent or guardian of the affected student, and not by an education employee on behalf of an affected student or his or her parent or guardian.

(Act 2009-571, §2.)

If the vehicle which is involved in the violation is registered in the name of a rental or leasing company and the vehicle is rented or leased to another person at the time of the violation, the rental or leasing company may rebut the inference by providing the peace officer or prosecuting authority with a copy of the rental or lease agreement in effect at the time of the violation.

Disciplinary point system - Age of student eligibility.

(a) Notwithstanding any other provision of law, each student over the age of 12 years who is enrolled in a public or private secondary school shall be subject to a disciplinary point system for an infraction committed on school property to determine the age at which the student shall be allowed to apply for a learner's permit, motor driven cycle operator's license, driver's license, or any license required by the State of Alabama for the operation of a motor vehicle or vessel. The disciplinary points imposed for a disciplinary action shall be as follows:

- (1) One day in-school suspension - 1 point.
- (2) One day out-of-school suspension - 2 points.
- (3) Alternative school placement - 6 points.
- (4) Expulsion - 20 points.

(b)(1) The points shall accumulate on a yearly basis, beginning with the school year including summer school in which the student turns 13, and accumulate each year until the student is eligible to apply for a driver's license under the imposed point system. Each accumulated point shall add one additional week to the age at which the student is eligible to be issued a learner's permit, motor driven cycle operator's license, or driver's license.

(2) Notwithstanding subdivision (1), the age at which a student may apply for a license or permit shall not be extended by Act 2009-713 beyond one year from the date the student initially applies for a learner's permit, motor driven cycle operator's license, driver's license, or any license required by the State of Alabama for the operation of a motor vehicle or vessel.

(c) The following subdivisions are contingent upon the technical capability of the student data management system to track, manage, and coordinate the data:

- (1) Points shall be accrued on a school-year basis.
- (2) Points may not accrue for the first three days of in-school suspension in any school year; however, beginning with the fourth day of suspension in any school year, all days, including the first three, of in-school suspension shall be counted in determining the points.
- (3) Points may not accrue for an initial out-of-school suspension of two days or less in any school year; however, the days of the initial suspension shall be used to determine the points after a second out-of-school suspension in any school year or all days will be used to determine points if the initial suspension exceeds two days.
- (4) Accumulated points shall be reduced by one-half if the student has not received additional accumulated points for one school year. If no additional points are received for two years, all records of the accumulated points shall be removed from the student's records at the school.

(2) If a person who is registered as a sex offender pursuant to Article 2 of Chapter 20 of Title 15 on July 10, 2010, has a valid commercial driver license with a P or an S endorsement that was issued on or before July 10, 2010, then the person is not disqualified under this subsection until that license expires, provided the person does not commit a subsequent offense that requires registration as a sex offender under Article 2 of Chapter 20 of Title 15.

(b) The department shall revoke the commercial driver license with a P or an S endorsement of any person convicted of any offense on or after July 10, 2010, that requires registration as a sex offender under Article 2 of Chapter 20 of Title 15.

(4) If the department is unable to access either the statewide registry or all information of other states contained in the National Sex Offender Public Registry, but the person is otherwise qualified to obtain a commercial driver license with a P or an S endorsement, then the department shall issue the commercial driver license with the P or S endorsement, but shall first require the person to sign an affidavit stating that the person does not appear on either the statewide registry or the National Sex Offender Public Registry. The department shall search the statewide registry and the National Sex Offender Public Registry for the person within a reasonable time after access to the statewide registry or the National Sex Offender Public Registry is restored. If the person does appear in either registry, the person is in violation of this section, and the department shall immediately cancel the commercial driver license and shall promptly notify the district attorney of the circuit where the person resides of the offense.

(5) Any person denied a commercial driver license with a P or an S endorsement pursuant to this subsection shall have a right to file an appeal to the department within 30 days thereafter for a hearing in the matter. The department shall set the matter for a hearing within 30 days in order to take testimony and examine the facts of the case and determine whether the petitioner is entitled to a commercial driver license with a P or an S endorsement under this subsection.

(6) Any person who makes a false affidavit, or who knowingly swears or affirms falsely, to any matter or thing required by this section to be affirmed to or sworn is guilty of a Class C felony.

SUPP 99-3 SCHOOL SAFETY AND DISCIPLINE ACCOUNTABILITY 290-4-1

(b) Failure of a school or school system to respond to legitimate and documented school safety and discipline concerns/incidents as determined by the State Superintendent after investigating the concerns/incidents. The State Superintendent will investigate the following requests/incidents to determine if assignment of SDE personnel to a school or school system for school safety and discipline assistance is warranted:

1. A written request by official action of a local parent/professional/community organization (e.g., PTA/PTO; ACSAS; civic club), or by a majority of the employees of a school or school system to the State Superintendent with evidence that a request was first submitted to the school principal; secondly, the school system superintendent; and thirdly, the local board of education relative to specific school safety and discipline issues and no action was taken or action was inadequate as determined by the State Superintendent.

2. A written request by official action of a school sanctioned student organization to the State Superintendent with evidence that a request was first submitted to the school principal; secondly, the school system superintendent; and thirdly, the local board of education relative to specific school safety and discipline issues and no action was taken or action was inadequate as determined by the State Superintendent.

3. A written request by a local school principal with evidence that a request was first submitted to the local school superintendent and next, to the local board of education relative to specific school safety and discipline issues and no action was taken or action was inadequate as determined by the State Superintendent.

4. An official request by a local superintendent of education.

5. An official request by a majority vote of a local board of education.

6. A person is killed or seriously injured at school or a school related activity as a result of a violent act.

Intervention for financial and/or school safety and discipline reasons shall remain in place until such time as either condition improves to an acceptable standard as determined by the State Superintendent. A local board may petition the State Board of Education for release from the state intervention by showing acceptable improvement on financial stability, safety and discipline, or for other just cause. The State Board, following a hearing, shall have final determination on the matter of release from state intervention.

290-3-1-.02(3)(e)1.

290-3-1-.02-.01 **Regulations Governing Public Schools.**

(1) Safe School Equipment and Facilities, Laboratories, and Policies.

(a) Safety precautions must be implemented and adequate facilities must be provided for implementation of programs prescribed by SDE Bulletin(s).

(b) Effective with the 1995-96 school year and thereafter, local boards of education must:

1. Adopt a uniform policy allowing law enforcement agencies to make periodic visits to local public schools to detect the presence of illegal drugs, unannounced to anyone except the local superintendent and building principal.

2. Adopt a uniform policy prohibiting the use of tobacco products on school property and prescribing specific penalties for violating this policy.

3. Adopt and enforce a uniform policy prohibiting all persons, other than authorized law enforcement personnel, from bringing or possessing any deadly weapon or dangerous instrument on school property and prescribing specific penalties for students and school personnel who violate this policy, notwithstanding any criminal penalties which may also be imposed.

(c) Local school systems which operate alternative educational programs shall provide a curriculum that stresses skills in recognizing and managing anger, alternatives to aggression (verbal and physical assault), strategies for developing self-control and personal responsibility, skills for getting along with others, success through academic achievement, and skills for success in the workplace.

(d) All policies and actions implemented under these mandatory regulations affecting students with disabilities must comply with federal and state special education laws, regulations, and court rulings.

(e) Unsafe School Choice Option

1. Definitions: A transfer option school (TOS) in the state of Alabama is one in which for three (3) consecutive school years the school has expelled one percent (1%) of the student population or five (5) students (whichever is greater) for violent criminal offenses committed on school property during school hours or committed at school-sponsored activities. The words "transfer option school," "TOS," or "TOS school" shall mean a "persistently dangerous school" as those words are used in the No Child Left Behind Act of 2001, Public Law 107-110, Title IX, §9532(a) and (b). For the purpose of this definition, a "violent criminal offense" shall mean homicide; robbery; assault in the first and/or second degree; sexual battery (including rape) as these offenses are defined in the Criminal Code of Alabama (see § 13A-6-1, et. seq., Ala. Code 1975); and use of a handgun, firearm component, explosive, knife, and other "unknown weapons" as defined by the Student Incident Report (SIR).

2. A student who becomes a victim of a violent criminal offense committed on school property during school hours or at school-sponsored activities shall be given an opportunity to transfer to a safe public school within the LEA. The LEA shall notify the student's parent/guardian of the right to transfer as soon as practicable, not to exceed ten (10) calendar days from the date of a final determination by the school board or its designee that a violent criminal offense has occurred. All LEA transfer procedures will be observed. It shall be the policy of the Alabama State Department of Education (SDE) to notify the LEA annually when one or more of its schools have been identified as a transfer option school. Each Superintendent or his or her designee shall orally notify the Prevention and Support Services Section of the State Department of Education within twenty-four (24) hours of the decision that a violent criminal offense has occurred, followed by written

confirmation. The State Department of Education will assist the LEA in resolving all safety issues. At a minimum, an LEA that has one or more schools identified as persistently dangerous must:

(i) Step 1. Notify parents/guardians of each student attending the school within ten (10) working days that it has been identified as a transfer option school and offer students the opportunity to transfer to a safe public school within the LEA if another school is available.

(ii) Step 2. Complete the transfer for those students who opt to do so within 20 working days.

(iii) Step 3. Develop a corrective action plan to be submitted to the SDE for approval within 20 working days of the LEA's receipt of status.

(iv) Step 4. Implement the corrective action plan. Once a school has been identified as a transfer option school, it can return to safe status by (1) completing Steps One through Four above and (2) completing two consecutive years with less than one percent (1%) of the student population or five (5) students (whichever is greater) expelled for violent criminal offenses as defined in its policy.

290-3-1-.02(1.)(f) **Seclusion and Restraint for ALL Students.**

1. Definitions.

(i) Chemical Restraint - Any medication that is used to control violent physical behavior or restrict the student's freedom of movement that is not a prescribed treatment for the student's medical or psychiatric condition. Use of chemical restraint is prohibited in Alabama public schools and educational programs.

(ii) Mechanical Restraint - The use of any device or material attached to or adjacent to a student's body that is intended to restrict the normal freedom of movement and which cannot be easily removed by the student. The term does not include an adaptive or protective device recommended by a physician or therapist when used as recommended by the physician or therapist to promote normative body positioning and physical functioning, and/or to prevent self injurious behavior. The term also does not include seatbelts and other safety equipment when used to secure students during transportation. Use of mechanical restraint is prohibited in Alabama public schools and educational programs.

(iii) Physical Restraint - Direct physical contact from an adult that prevents or significantly restricts a student's movement. The term physical restraint does not include mechanical restraint or chemical restraint. Additionally, physical restraint does not include: providing limited physical contact and/or redirection to promote student safety or prevent self-injurious behavior, providing physical guidance or prompting when teaching a skill, redirecting attention, providing guidance to a location, providing comfort, or providing limited physical contact as reasonably needed to prevent imminent destruction to school or another person's property.

(iv) Physical Restraint that restricts the flow of air to the student's lungs- Any method (face-down, face-up, or on your side) of physical restraint in which physical pressure is applied to the student's body that restricts the flow of air into the student's lungs. Use of this type of restraint is prohibited in Alabama public schools and educational programs.

(v) Seclusion - a procedure that isolates and confines the student in a separate, locked area until he or she is no longer an immediate danger to himself/herself or others. The seclusion occurs in a specifically constructed or designated room or space that is physically isolated from common areas and from which the student is physically prevented from leaving. Seclusion does not include situations in which a staff member trained in the use of de-escalation techniques or restraint is physically present in the same unlocked room as the student, time-out as defined in paragraph (1.)(vi) of this rule, in-school suspension, detention, or a student-requested break in a different location in the room or in a separate room. Use of seclusion is prohibited in Alabama public schools and educational programs.

(vi) Time-out – A behavioral intervention in which the student is temporarily removed from the learning activity. Time-out is appropriately used when:

(I) The non-locking setting used for time-out is appropriately lighted, ventilated, and heated or cooled.

(II) The duration of the time-out is reasonable in light of the purpose of the time-out and the age of the child; however, each time-out should not exceed 45 minutes.

(III) The student is reasonably monitored by an attending adult who is in reasonable physical proximity of the student and has sight of the student while in time-out.

(IV) The time-out space is free of objects that unreasonably expose the student or others to harm.

2. Requirements.

(i) The use of seclusion is prohibited in Alabama public schools and educational programs.

(ii) The use of any method of physical restraint that restricts the flow of air to a student's lungs is prohibited in Alabama public schools and educational programs.

(iii) The use of mechanical restraint is prohibited in Alabama public schools and educational programs.

(iv) The use of chemical restraint is prohibited in Alabama public schools and educational programs.

(v) The use of physical restraint is prohibited in Alabama public schools and educational programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions including verbal directives or other de-escalation techniques. Notwithstanding the foregoing, physical restraint is prohibited in Alabama public schools and educational programs when used as a form of discipline or punishment.

(vi) All physical restraint must be immediately terminated when the student is no longer an immediate danger to himself or others or if the student is observed to be in severe distress.

(vii) Schools and programs that use physical restraint in accordance with paragraph (2.)(v-xiv) of this rule must develop and implement written policies to govern the use of physical restraint. Parents must be provided information regarding the school or program's policies governing the use of physical restraint. The written policies must include the following provisions:

(I) Staff and faculty training on the use of physical restraint and the school or programs policy and procedures,

(II) Written parental notification when physical restraint is used to restrain their student within a reasonable time not to exceed one school day from the use of restraint,

(III) The use of physical restraint to be documented and a debriefing session held by staff or faculty participating in or supervising the restraint for each student in each instance in which the student is restrained,

(IV) Procedures for the periodic review of the use of restraint and the documentation described in paragraph (2.)(vii)(III),

(V) Procedures for reporting the use of restraint and the documentation described in paragraph (2.)(vii)(III) and any prohibited use of seclusion and chemical, mechanical, or physical restraint to the local board of education annually,

(VI) The documentation described in paragraph (2.)(vii)(III) (monthly summary reports) and any prohibited use of seclusion and chemical, mechanical, or physical restraint is to be submitted to the Alabama Department of Education annually, and

(VII) The written policies described in paragraph (2.)(vii)(I and II) are to be included in each local education agencies' code of conduct and/or the student handbook.

(viii) Schools and programs that use physical restraints in accordance with paragraph (2.)(v-xiv) of this rule, must ensure that staff and faculty are trained in the use of physical restraint. This training shall be provided as a part of a program which addresses prevention and de-escalation techniques as well as positive behavioral intervention strategies. Schools and programs must maintain written or electronic documentation on training provided and the list of participants in each training. Records of such training must be made available to the Alabama Department of Education or any member of the public upon request.

(ix) Nothing in this rule shall be construed to interfere with a school system, school or program, or school or program employee's authority to utilize time-out as defined in paragraph (1.)(vi) of this rule or any other classroom management technique or approach, including a student's removal from the classroom, that is not specifically addressed in this rule.

(x) Nothing in this rule modifies the rights of school personnel to use reasonable force as permitted under the *Code of Alabama, 1975, §16-1-14* or modifies the rules and procedures governing discipline under the *Code of Alabama, 1975, §16-28-12*.

(xi) Nothing in this rule shall be construed to prohibit a school system, school, or program employee from taking reasonable action to diffuse or break up a student fight or altercation.

(xii) Nothing in this rule shall be construed to prohibit a school system, school, or program employee from taking reasonable action to obtain possession of a weapon or other dangerous objects on a student or within the control of a student.

(xiii) Nothing in this rule shall be construed to eliminate or restrict the ability of an employee of a school system, school or program to use his or her discretion in the use of physical restraint to protect students or others from imminent harm or bodily injury. Nothing in this rule shall be construed to create a criminal offense or a private cause of action against any local board of education or program or its agents or employees.

(xiv) In some instances in which a student is an immediate danger to himself or herself or others, the school or program must determine when it becomes necessary to seek assistance from law enforcement and/or emergency medical personnel. Nothing in these rules shall be construed to interfere with the duties of law enforcement or emergency medical personnel. Parents must be promptly informed when students are removed from the school or program setting by emergency medical or law enforcement personnel.
