ABOUT MRS. PAYNE

Dear Families,

I am so honored to serve as the Family and Community Liaison for Colbert County Schools. I am a graduate from the University of North Alabama; with degrees in Broadcast Journalism and Public Relations. I am currently pursuing my Masters in Early Childhood Education.

At 19 years old, I started my own nonprofit organization "Chelsea's Cause: Putting Safety First". Chelsea's Cause focuses on providing monetary medical assistance for patients at Children's of Alabama in Birmingham. When I was 19 months old, I suffered a Traumatic Brain Injury and was airlifted to Sacred Heart Children's Hospital in Pensacola, Florida. I have been VERY blessed to advocate for families all over the state of Alabama. My love for children runs deep and I can't wait to meet your family and form a relationship with your student...but I can't do it without your help!

Family Engagement is paramount to student success and if you are looking for opportunities to serve, then I have the perfect volunteer opportunity just for you!
